Sri H. M. CHANNABASAPPA (Mysore District—General).—May I know the nature of the allowance that the Government propose to give, whether it is monthly or...

The Hon'ble Sri K.T. BHASHYAM.—No. The allowance will be in accordance with the number of days of sitting. Every day they sit they will be given some allowance with a maximum per month.

Sri H. M. CHANNABASAPPA.—What is the maximum ?

The Hon'ble Sri K. T. BHASHYAM.—We have not yet fixed it. We propose to fix it somewhere in the neighbourhood of Rs. 500 a month.

Sri K. R. SREEKANTESWAR.—Is it a daily allowance ?

The Hon'ble Sri K.T. BHASHYAM.—On the day on which they sit, they get an allowance, not every day.

The Hon'ble Sri K.T. BHASHYAM.—That is the maximum allowance per month.

The Mysore Legislature (Prohibition of Simultaneous Membership) Bill, 1951.

Motion to consider.

The Hon'ble Sri K. T. BHASHYAM (Minister for Law and Labour).—Sir, I move :

"That the Mysore Legislature (Prohibition of Simultaneous Membership) Bill, 1951, be taken into consideration."

This is a very simple measure. According to the Constitution, no person can be a member of both Houses of Legislature and therefore, if he happens to be a member of the Assembly and standing for election is elected to the Legislative Council, he will have to vacate his seat here, or being a member of the Council, if he happens to stand for election and be elected to the Assembly, he must vacate his seat in the Council. This Bill implements the provisions of the Article in the Constitution and I therefore see no difficulty in the Hon'ble Members accepting this Bill.

The Mysore Labour (Administration) Bill, 1951.

Motion to consider.

The Hon'ble Sri K. T. BHASHYAM (Minister for Law and Labour).—Sir, I move :

"That the Mysore Labour (Administration) Bill, 1951, be taken into consideration."

In moving this, I wish to bring to the notice of the Hon'ble Members the necessity for this Bill. We had a Mysore Labour Act under which we had the right to appoint a Labour Commissioner to be in charge of the labour problems in the State with his staff and administration consisting of Assistant Commissioners of Labour in each division and the like. We had also there the provisions about conciliation and arbitration. It was working fairly well. Now the Central Government have extended the Trade Union Act into Mysore State by reason of which the Mysore Labour Act, in so far as it conflicts with the rest of the Central Act, has to be repealed and it gets automatically repealed. Therefore we now make a Labour Administration Bill and have brought this before this House. We have got the powers which we have under the Labour Act in addition to the powers which we have in the Central Laws so long as there is no conflict with each other. And it is for that purpose that this Bill is brought forward.

There is one more aspect which is brought out in this Bill. We had a number of Labour Associations constituted under the Mysore Labour Act. Now if the Mysore Labour Act gets repealed, those associations will also have to get themselves dissolved and fresh elections will have to take place under the Trade Union Act. We want to avoid that and say that all Labour Associations constituted under the Mysore Labour Act shall be deemed to be associations constituted under the Trade Union Act of 1926. This is found in Clause 4 :—

"4. The Mysore Labour Act, 1942, is hereby repealed :

Provided that any appointment or delegation made under the said Act shall be deemed to have been made under this Act :

Provided further that all labour associations registered under the said Act shall be deemed to be trade unions registered under the Indian Trade Unions Act, 1926."

These are simple matters included in the Bill and I consider that there is nothing controversial in this Bill. I commend this Bill for the acceptance of this House.
